For the past few years, Sarallah Publication has been dedicated to the preparation of an Islamic Syllabus for the education and training of the new generation.

- Our efforts involve designing and printing books on various topics that are kid-friendly and easy to learn through play.
- Our goal is to make the crucial task of parenting easier for parents, by providing them with resources that make learning about Deen both easy and enjoyable for their children.

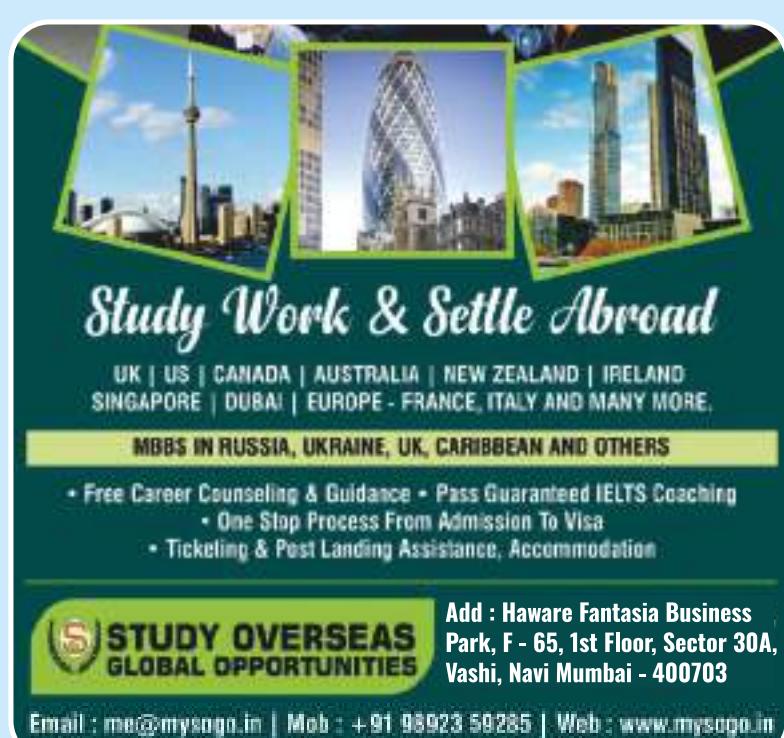

We appeal to the mommies to support this endeavor by making a donation, and help us in our mission to make learning about Deen playful and fun for kids.

## Hal Min Nasir Yann Surna??

The resounding call of Imam Husain (a) for Nasir remains as poignant today as it was on the day of Ashura. As the avenger of Imam Husain(a)'s blood awaits in Ghaisat, seeking righteous followers, we must introspect and ask ourselves -

**Are we actively preparing the grounds for the Reappearance?**

It is our foremost duty to prepare ourselves & others as well as future generations in order to ensure that Imam Mahdi (a) finds a community ready to embrace his righteous leadership upon his blessed Reappearance.
