

Imam Mahdi^(a.t.f.s) Dua e iftetah

“O Lord! We long for a blessed government through which You strengthen Islam and the people of Islam, and through which You disgrace hypocrisy and the people of hypocrisy. And in that government, make us among those who call towards Your obedience and guide others by Your command. And through it, grant us honor in this world and in the Hereafter.”

Among the believers there are those who have remained true to the covenant they made with Allah. Among those some of them have fulfilled their vow and others await the appointed time. They have not changed in the least.
